

- Topic:** Vocational Qualification Pathway- Dialogue with CEOs  
(Continuous Career Development for Engineers)
- Joint-organized by:**
1. Manufacturing and Industrial Engineering Section,  
The IET Hong Kong
  2. Department of Industrial and Systems Engineering,  
The Hong Kong Polytechnic University
  3. Manufacturing Technology Training Board of VTC
  4. MILES Alumni Association, HK Polytechnic University
- Supported by:**
1. Engineering Discipline of VTC
  2. VTC Engineering Discipline Alumni Association (EDAA)
  3. Hong Kong Mould & Die Council (FHKI Industry Group 14)

**Seminar Schedule:**

Date: 16-June-2018 (Saturday)  
Time: 09:15 - 13:00 (Registration at 09:00am)  
Venue: Lecture Theater TU107 , Yip Kit Chuen Building,  
The Hong Kong Polytechnic University

**Objectives:**

Professional engineers seek for the continuous professional development in order to develop the career. The talk will introduce the Hong Kong Qualification Frameworks and the case sharing how the speakers became the successful industrialists and professional engineer by taking the lifelong learning.

The objective of establishing the Hong Kong Qualifications Framework (HKQF) is to provide a platform to encourage and facilitate lifelong learning with a view to enhancing the capability and competitiveness of the workforce in Hong Kong.

This event introduces the key features of HKQF, Specification of Competency Standards and Vocational Qualifications Pathway. The distinguished industrialists and professional engineers are invited to share their real cases and valued experiences on their career paths with the audiences.
